Board Members of the Suffolk County Industrial Development Agency  
c/o Suffolk County Industrial Development Agency  
H. Lee Dennison Building, 3rd Floor  
PO Box 6100  
Hauppauge, NY 11788

Dear Members of the Board:

Sunrise Senior Living began over 41 years ago with a single community developed in 1981. We have since built and operate over 273 communities throughout the US and Canada, including 18 communities in New York State. Sunrise Senior Living communities provide independent and assisted living and personal and memory care services. Sunrise offers a vibrant lifestyle for seniors who need assisted care or who simply want retirement living that is free from household chores and maintenance responsibilities. Its mission is to create a community where residents are empowered to live a purposeful life, full of choices and flexibility, where residents focus on possibilities rather than limitations. For more information on our company and our mission, please see the enclosed.

Sunrise applied and received assistance from the Suffolk County IDA for its community at Sunrise of Huntington (West Hills) in Huntington Station. The success of the Sunrise of Huntington project was largely based on the assistance of the IDA. The project proposed before you is located at 1381-1387 Pulaski Road, East Northport. The new project uses the same blueprints as Huntington, but with improvements to mechanical and other systems which have been upgraded and improved based on feedback from residents and employees at the community. The proposed project is a 90-unit, 112-bed assisted living facility in a two-story ~77,500 square foot development. Development costs are anticipated to be approximately $54.6 million. Upon stabilization of the building (~90% occupancy), Sunrise anticipates the generation of approximately 90 direct, well-paying jobs that will be substantially filled by residents of Suffolk County.

Agency assistance is critical to Sunrise. With assistance, the applicant is committed to a $54.6 million development to bring the much-needed enriched senior housing services that will attract a significant number of well-paying skilled and unskilled jobs. Without assistance from the Agency Sunrise will not be able to sustain the project, in light of unheralded inflation rates and ever-increasing costs of labor and materials. In addition to inflation and development costs, hurdles to development are exacerbated by the senior housing business cycle model that tends to attract younger, less dependent retirees with lower acuity and less service needs, resulting in less revenue from providing care. It takes years for senior living communities to recover and maintain the income levels required to meet operational expenses. During the hard cost pricing process for this development, Sunrise has seen a ~25% increase in costs of labor and materials.

This project is critical to the area. Sunrise has measured demand for the project and determined that within 5 miles of the proposed East Northport project is greatly underserved in terms of the supply of assisted living and memory care communities. Sunrise compared the number of qualified caregiver households and qualified senior households to comparable facilities. Based on its research, Sunrise has determined that there are over 9,300 qualified caregivers and senior households, and only 4 comparable facilities with a total existing unit count of 412. In light of these figures, the proposed project will be a welcome relief to those in need of assisted living and memory care support.

We respectfully submit this application for your consideration.

LONG ISLAND FIRST POLICY

It is the policy of the Suffolk County Industrial Development Agency to strongly encourage Project Applicants to support LONG ISLAND FIRST. This means that to the greatest extent possible Project Applicants should consider purchasing goods and services from Long Island Based Providers, and that to the greatest extent possible all employment opportunities be provided to Nassau and/or Suffolk residents.

For purposes of this Policy, Long Island Based Provider means:
- Business having a physical location on Long Island; or
- Business with a history of performing work in Nassau and/or Suffolk County; or
- Business employing majority Nassau and/or Suffolk County residents

The Policy seeks to cause a greater local economic impact of a project through support of Long Island Based Providers and employment of local workers and its multiplier effect on the Nassau and Suffolk County Region. There are direct and indirect benefits to the Region’s economy as a result of a Project Applicant’s spending and investment taking place locally (as opposed to not taking place at all or occurring out of the Region). A Project Applicant’s direct local expenditures for employee salaries, supplies, services, raw materials and operating expenses create an economic benefit to the Region. This direct spending by a Project Applicant increases new economic activity by the businesses that initially received the direct spending and they in turn increase spending at other local businesses in the supply chain. A workforce and new employees create economic activity by purchasing goods and services from local businesses.

The Policy includes the construction and/or renovation phase of a project with respect to contractors and subcontractors and local workforce used during this period.

Complying with the Policy’s Goals
- Project Applicants must annually provide the total dollar amount of all direct expenditures made to Long Island Based Providers (businesses, vendors, suppliers, etc.) along with a name list of all Long Island Based Providers included in the annual direct expenditure total.
For all anticipated contracts to be let during the construction and/or renovation phase, the applicant must:

- Maintain all documentation of their efforts to comply with this policy

- Send notice via email - info@suffolkida.org to the Suffolk County Industrial Development Agency. Telephone: 631-853-4802. The notice shall be prescribed in a format deemed acceptable by the IDA, posted for a reasonable amount of time, and will contain at a minimum the scope of the contract, anticipated start and end dates, methodology for prospective bidders to submit a bid, and deadline for bid submission. All notices will be publicly available via the IDA’s website (https://www.suffolkida.org/).

- If a Project Applicant or any subcontractor of whatever tier is not hiring a Long Island Based Provider, they must notify the IDA before selecting a Non-Long Island Based Provider and shall provide an explanation of why they elected not to hire a Long Island Based Provider.

- Project Applicants that claim they cannot comply with this Policy shall demonstrate and document their efforts in attempting to meet this Policy’s goals and shall provide such documentation to the IDA at its request. The explanation should include a detailed account of the actions undertaken to adhere to this Policy, obstacles encountered and any other relevant information.

Failure to comply with the Policy may result in the reduction, loss or recapture of IDA benefits and/or become ineligible for consideration for new project applications.

Project Applicants agree to implement and adhere to the Long Island First Policy as set forth herein.

The undersigned hereby certifies that the answers and information provided above and in any statement attached hereto are true, correct and complete.

CONSTRUCTION WAGE POLICY
SUFFOLK COUNTY INDUSTRIAL DEVELOPMENT AGENCY
EFFECTIVE JANUARY 1, 2006

The purpose of the Suffolk County Industrial Development Agency is to provide benefits that reduce costs and financial barriers to the creation and to the expansion of business and enhance the number of jobs in Suffolk County.

The Agency has consistently sought to ensure that skilled and fair paying construction jobs be encouraged in projects funded by the issuance of IDA tax exempt bonds in large projects.

The following shall be the policy of the Suffolk County Industrial Development Agency for applications received after January 1, 2006 for financial assistance in the form of tax-exempt financing for projects with anticipated construction costs in excess of $5,000,000 per site.

Any applicant required to adhere to this policy shall agree to:

(1) Be governed by the requirements of Section 220d of Article 8 of the Labor Law of the State of New York; and when requested by the Agency, provide to the Agency a plan for an apprenticeship program.

OR

(2) Provide to the Agency a project labor agreement or alternative proposal to pay fair wages to workers at the construction site.

In the event that any of these conditions cannot be met, the applicant shall submit to the Agency an explanation as to the reasons for its failure or inability to comply with such conditions. Furthermore, this policy may be waived, in the sole and final discretion of the Agency, in the event that the applicant demonstrates to the Agency special circumstances or economic hardship to justify a waiver to be in furtherance of the purposes and goals of the Suffolk County Industrial Development Agency.

RECAPTURE AND TERMINATION POLICY

SUFFOLK COUNTY
INDUSTRIAL DEVELOPMENT AGENCY
EFFECTIVE JUNE 23, 2016

Pursuant to Sections 874(10) and (11) of Title 1 of Article 18-A of the New York State General Municipal Law (the "Act"), the Suffolk County Industrial Development Agency (the "Agency") is required to adopt policies (i) for the discontinuance or suspension of any financial assistance provided by the Agency to a project or the modification of any payment in lieu of tax agreement and (ii) for the return of all or part of the financial assistance provided by the Agency to a project. This Recapture and Termination Policy was adopted pursuant to a resolution enacted by the members of the Agency on June 23, 2016.

I. Termination or Suspension of Financial Assistance

The Agency, in its sole discretion and on a case-by-case basis, may determine (but shall not be required to do so) to terminate or suspend the Financial Assistance (defined below) provided to a project upon the occurrence of an Event of Default, as such term is defined and described in the Lease Agreement entered into by the Agency and any project applicant (the "Applicant") or any other document entered into by such parties in connection with a project (the "Project Documents"). Such Events of Default may include, but shall not be limited to, the following:

1) Sale or closure of the Facility (as such term is defined in the Project Documents);
2) Failure by the Applicant to pay or cause to be paid amounts specified to be paid pursuant to the Project Documents on the dates specified therein;
3) Failure by the Applicant to create and/or maintain the FTEs as provided in the Project Documents;
4) A material violation of the terms and conditions of the Project Agreements; and
5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The decision of whether to terminate or suspend Financial Assistance and the timing of such termination or suspension of Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and shall be subject to the notice and cure periods provided for in the Project Documents.

For the purposes of this policy, the term "Financial Assistance" shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency's participation in the transaction contemplated by the Project Agreements including, but not limited to:

(i) any exemption from any applicable mortgage recording tax with respect to the Facility on mortgages granted by the Agency on the Facility at the request of the Applicant;

(ii) sales tax exemption savings realized by or for the benefit of the Applicant, including and savings realized by any agent of the Applicant pursuant to the Project Agreements in connection with the Facility; and

(iii) real property tax abatements granted under the Project Agreements.
II. Recapture of Financial Assistance

The Agency, in its sole discretion and on a case-by-case basis, may determine (but shall not be required to do so) to recapture all or part of the Financial Assistance provided to a project upon the occurrence of a Recapture Event, as such term is defined and described in the Project Documents. Such Recapture Events may include, but shall not be limited to the following:

1) Sale or closure of the Facility (as such term is defined in the Project Documents);
2) Failure by the Applicant to pay or cause to be paid amounts specified to be paid pursuant to the Project Documents on the dates specified therein;
3) Failure by the Applicant to create and/or maintain the FTEs as provided in the Project Documents;
4) A material violation of the terms and conditions of the Project Agreements; and
5) A material misrepresentation contained in the application for Financial Assistance, any Project Agreements or any other materials delivered pursuant to the Project Agreements.

The timing of the recapture of the Financial Assistance shall be determined by the Agency, in its sole discretion, on a case-by-case basis, and is subject to the notice and cure periods provided for in the Project Documents. The percentage of such Financial Assistance to be recaptured shall be determined by the provisions of the Project Documents.

All recaptured amounts of Financial Assistance shall be redistributed to the appropriate affected taxing jurisdiction, unless agreed to otherwise by any local taxing jurisdiction.

For the avoidance of doubt, the Agency may determine to terminate, suspend and/or recapture Financial Assistance in its sole discretion. Such actions may be exercised simultaneously or separately and are not mutually exclusive of one another.

III. Modification of Payment In Lieu of Tax Agreement

In the case of any Event of Default or Recapture Event, in lieu of terminating, suspending or recapturing the Financial Assistance, the Agency may, in its sole discretion, adjust the payments in lieu of taxes due under the Project Agreements, so that the payments in lieu of taxes payable under the Project Agreements are adjusted upward retroactively and/or prospectively for each tax year until such time as the Applicant has complied with the provisions of the Project Agreements. The amount of such adjustments shall be determined by the provisions of the Project Documents.

HOUSING SERVICES. The development will attract a significant number of well-paying skilled and un-skilled salary-, commission- and hourly-wage-based jobs. Financial assistance is necessary in order to offset the skyrocketing costs of construction and allow the community to open and thrive.

Without agency benefits the applicant will not be able to sustain the ever-increasing cost of labor and construction materials, especially in light of recent record inflation. In addition to vacancies and other burdens of opening a new facility, because newer facilities tend to attract younger, less dependent retirees with higher acuity, applicant will initially collect less revenue from providing care. A majority of income produced at these facilities is for care given to those needing assistance with every-day tasks. It will take several years for the facility to generate the income needed to pay the expenses of the applicant.
WITHOUT FINANCIAL ASSISTANCE THE COUNTY WILL LOSE THE A $54,600,000,00 DEVELOPMENT, THE ADDITION OF APPROXIMATELY 68 FTE JOBS AND RESULTANT ECONOMIC BENEFITS.

PROJECT WILL OFFER A COMPLETE ARRAY OF RESIDENTIAL AND ASSISTED LIVING SERVICES DELIVERED WITHIN A TWO-STORY STRUCTURE WITH ON-SITE WASTEWATER TREATMENT FACILITY.

AND OVER IS PROJECTED TO BE 83.7 MILLION NATIONALLY, ALMOST DOUBLE THE 2012 FIGURE FOR PEOPLE OVER THE AGE OF 65. MANY LOCAL RESIDENTS WOULD PREFER TO AGE IN PLACE WITHIN THEIR COMMUNITY AS THEIR HOUSING AND HEALTH NEEDS EVOLVE.

THE MISSION OF THE APPLICANT IS TO CREATE A COMMUNITY WHERE WE EMPOWER OUR RESIDENTS TO LIVE A PURPOSEFUL LIFE, FULL OF CHOICES AND FLEXIBILITY, AND WHERE WE FOCUS ON POSSIBILITIES RATHER THAN LIMITATIONS. SUNRISE OFFERS A VIBRANT LIVING ALTERNATIVE FOR SENIORS WHO NEED ASSISTED CARE OR WHO SIMPLY WANT RETIREMENT LIVING THAT'S FREE FROM HOUSEHOLD ChoreS AND MAINTENANCE RESPONSIBILITIES.

THE APPLICANT MEASURED DEMAND FOR THE PROJECT BY FOCUSING ON TWO MAJOR FACTORS: QUALIFIED CAREGIVER HOUSEHOLDS AND QUALIFIED SENIOR HOUSEHOLDS. QUALIFIED CAREGIVERS ARE BETWEEN THE AGES 45-64 WITH THE INCOME OF AT LEAST $100K AND QUALIFIED SENIORS ARE 75+ WITH THE MINIMUM INCOME OF $50K. CAREGIVERS ARE ESSENTIALLY CHILDREN OF POTENTIAL RESIDENTS, AND QUALIFIED SENIORS ARE POTENTIAL RESIDENTS. WITHIN 5 MILES OF OUR PROJECT, THERE ARE 9,304
QUALIFIED CAREGIVER HOUSEHOLDS AND 915 QUALIFIED SENIOR HOUSEHOLDS. THAT IS WELL ABOVE THE AVERAGE OF WHAT THE APPLICANT SEES ACROSS THE COUNTRY. IN TERMS OF SUPPLY OF ASSISTED LIVING AND MEMORY CARE, THERE ARE ONLY FOUR COMPARABLE COMMUNITIES WITH 412 ASSISTED LIVING/MEMORY CARE UNITS. BASED ON THIS DATA, WE CALCULATED THE DEPTH OF ASSISTED LIVING/MEMORY CARE PENETRATION BY DIVIDING ASSISTED LIVING SUPPLY BY THE NUMBER OF QUALIFIED SENIOR HOUSEHOLDS AND QUALIFIED CAREGIVER HOUSEHOLD. QUALIFIED SENIOR PENETRATION RATE IS 45.0%, AND QUALIFIED CAREGIVER PENETRATION RATE IS 4.4%. ULTIMATELY, THIS INDICATES THAT THE AREA WITHIN 3 MILES IS GREATLY UNDERSERVED.
